Description :

PDF-cf4af | Algebra is no longer just for college-bound students. After a widespread push by NCTM and teachers across the country, algebra is now a required part of most curricula. However, students' standardized test scores are not at the level they should be. NCTM's seventieth yearbook takes a look at the status of algebra in our schools and the changes that the algebra curriculum has gone through over the ... *Algebra and Algebraic Thinking in School Math: NCTM's 70th YB*
