by Louis S. Berger : **Averting Global Extinction: Our Irrational Society as Therapy Patient**

ISBN : #0765706520 | Date : 2009-06-11

Description :

PDF-c9b17 | The extensive literature about averting ecological disasters, nuclear catastrophe, and unsupportable overpopulation typically describes dangers, analyzes their implications, and presses for remedial action. It seems that what is taken as too obvious and well understood to mention, let alone to address seriously, is humanity's failure to give global and human survival top priority. More careful con... *Averting Global Extinction: Our Irrational Society as Therapy Patient*
