Description :

PDF-f897d | Author: Department of Defense, United States Army. A boobytrap is an explosive charge cunningly contrived to be fired by an unsuspecting person who disturbs an apparently harmless object or performs a presumably safe act. Two types are in use improvised and manufactured. Improvised boobytraps are assembled from specially provided material or constructed from materials generally used for other purp... *Boobytraps U.S. Army Instruction Manual Tactics, Techniques, and Skills*
