Description :

PDF-4df38 | The standard survival retreat advice has always been to find a remote place in Idaho or Montana, with at least 20 acres, a 2,000-square-foot log cabin and a bunker underneath, a barn, pastureland, and a stream running through the property. But how many of us can afford such a spread without a crippling mortgage? If you can't make the hefty payments on your survival retreat, the bankers will evict ... *The Dirt-Cheap Survival Retreat: One Man's Solution*
