Description :

PDF-0f1ac | The second edition of this bibliography contains more than half as many entries again as the original selection of 1966. New sections include an annotated list of surviving apparatus and personal effects, an index of letters and printed extracts of letters, and a current plan of Manchester, as well as one of 1793, showing places with Dalton associations. Annotations are relatively more generous an... *John Dalton, 1766–1844: A Bibliography of Works By and About Him*
