Description :

PDF-f8a4c | Cuba: An Accidental Eden..?Cuba's place in history and its thriving wildlife found nowhere else are testament to its strategic location where the Caribbean Sea, Atlantic Ocean and the Gulf of Mexico converge. Strict environmental laws, low population and the absence of capitalist development and materialism helped preserve the fragile balance between people, the land and sea.Scientists claim it is... *NatureSmart Cuba Map by VanDam -- Country Road & Eco Travel Map of Cuba mapping natural history, preservation & unique species - Laminated folding ... diving and hiking spots, 2017 Edition*
