Description :

PDF-c209d | Given current demographic trends, European people will first become an outright minority in their own lands within the next thirty years. Thereafter, they will become a tiny minority, and shortly after that, will vanish completely under a flood of further immigration and miscegenation. "Traditional" political activity has failed to stem the tide, and the time has come to consider an alternative st... *Nova Europa: European Survival Strategy in a Darkening World*
