Description :

PDF-0ca56 | "Fifty years into my life journey I realise that; while I love remote wild places and the peoples I meet there, it is in forests that I find the greatest joy. Of all the forests that I have explored, it is the great circumpolar Boreal forest of the North that calls to me most. Here is a landscape where bush knowledge really counts and where experience counts even more. . . This book has been thirt...
