Description :

PDF-2cdb0 | What will you do if the supply chain goes down? What is your plan if the infrastructure fails? How will you survive if the delicate fabric of civilized society begins to tear apart? Stockpiling food, water, and supplies is only a small piece of the puzzle. From the most basic survival needs to the state of mind needed to make surviving seem worthwhile, you cannot do it alone. When it comes to livi... *Prepper Community: A Group-Based Methodology for Planning and Operating a Survival Retreat*
