Description :

PDF-9da02 | Many people believe in prepping. This helps to ensure that enough supplies such as food and water are readily available in a moment's notice in the event of an emergency. This is crucial in today's day and age because weather events such as hurricanes, earthquakes, wildfires, floods and tornadoes can impact a community's methods of getting food, water, medical care and electricity. Prepping can he... *Prepping and Self Sufficiency With A Minimalism Life Guide: Prepping for Beginners and Survival Guides*
