Description :

PDF-6a058 | So what the heck is a “real life prepper?” My definition is simply someone who has an interest in being prepared for the events we may face in our lives while continuing to live out their life in as normal a fashion as possible. I will not attempt to define “normal.” Real Life Prepper is written to address the needs of the real life prepper. What do we do if we do not face a total collapse...
