Real Risk Management For the Electrical Grid: Competent Risk Management Based on Authoritative Threat Assessments (Real Risk Management Series) (Volume 1) PDF

by Jim LeBlanc : **Real Risk Management For the Electrical Grid: Competent Risk Management Based on Authoritative Threat Assessments (Real Risk Management Series) (Volume 1)**

ISBN : #1533122377 | Date : 2016-05-05

Description :

PDF-c86ea | This monograph was created with the explicit intent of providing guidance to the individual or family on surviving without electricity for a very long period of time (i.e., “Living off the Grid”). It is not meant as a “how to do” as much as it is a “what to do before.” Another purpose for this manual is to underscore the need for policymakers at the local, state, and federal level to S... *Real Risk Management For the Electrical Grid: Competent Risk Management Based on Authoritative Threat Assessments (Real Risk Management Series) (Volume 1)*
