Description :

PDF-232ce | South America as a continent is fascinating. For many years, ITMB has provided this map, either in its original version of two single-sided maps or as a double sided map, such as this. We spent a lot of time reviewing the artwork and updating information from more detailed country maps. The resulting map is, in my opinion, a considerable improvement on the previous edition. The print is remarkably... *South America Travel Reference Map 1:4M*
