Description :

PDF-9ac5b | The collapse of economies around the globe, the debasement of the dollar, inflation, and soaring prices spell disaster for life as we have known it for 100 years. Whether economic collapse, an EMP, or nuclear war, or a combination of any, myriad catastrophes loom and any one of them will force you into survival mode. The author doesn't illustrate how to build a trap, what flowers are edible, or ... *Survive Doom: Wrap Your Head Around Getting Prepared*
