Description :

PDF-63e92 | Imagine a scenario where all of the public services and normal environment you now live suddenly disappears. A disaster, either man made or natural will generate the same result. Suddenly you find yourself on your own. There are no police to protect you, no fireman to rescue you; for one reason or another you are cut off from the outside world. The stores are all closed or inaccessible, there are ... *Surviving Disaster Without Leaving Home*
