Description :

PDF-81d26 | "Surviving Sandy: The Superstorm That Reshaped Our Lives" is a book with many facets. Hurricanes are certainly not new to North America. We have agencies that model the seasonal expectations before the first tropical systems show up on the radar. There are satellites announcing the formation of each one, and tracking their courses from the coast of Africa to the islands of the Caribbean, a... *Surviving Sandy: The Superstorm That Reshaped Our Lives*
