Description :

PDF-3a2fe | Across the United States, Americans have let their guard down, naively living in the moment, committing their absolute faith and confidence in the federal government. Somehow, they feel as though they are exempt from the rest of the world's calamities and problems. For them, the lessons taught by time and history are of little use and only apply to "someone else, somewhere else." This book i... *Thrive: Don't Just Survive The Coming Collapse*
