Description :

PDF-055c0 | There are over 325 million people in the United States of which, only 3.7 million are actually prepared for a disaster or catastrophe. Imagine what would happen to those remaining 321.3 million unprepared people should a disaster - natural or man-made – strike the U.S. Think of the panic, riots, looting, and civil unrest that will ensue. Unfortunately, most of these people don't give a second ... *What Could Possibly Go Wrong???: How To Go From Completely Clueless To Totally Prepared*
