Description :

PDF-e8e19 | Power outages always seem to occur at the worst possible time. Whether the duration is short or long, it's in the midst of these times that you resolve that you will do something about it so that you don't wind up throwing out several hundred dollars' worth of spoiled food again. But, all too often, once the lights are back on, those resolutions are all but forgotten. With color photos and a detail... *When The Lights Go Out: A quick-reference guide to choosing the right generator*
